The buyer agrees to obtain from the seller a stud credit.

Stud: Choose an item.

For the amount of Choose an item.; with a deposit of Choose an item..

- Payment must be made in full before the semen is shipped.
- The buyer understands that all costs associated with completing the breeding is the responsibility of the buyer (ex: cost of shipping, cost of collecting, etc).
- Semen is shipped directly to the vet.
- Splitting of semen is not allowed. Papers will not be signed for the litter/litters if semen is split. A repeat due to an unsuccessful breeding will not be honored if semen is split.
- If the breeding or litter is determined as unsuccessful, Louis V Line Bullys will honor 1 repeat off the same stud, if stud is available, to the buyer. If unavailable, the repeat will be done off another stud in the yard chosen by the buyer.
 - A successful breeding and/or litter are defined as the birth of 3 or more puppies. An unsuccessful breeding and/or litter are defined as the birth of less than 3 puppies.
 - If the litter is determined as unsuccessful, the buyer must notify the seller within 24 hours of the birth of the litter or 64 days after the date of the breeding.
 - For an unsuccessful breeding, documentation of progesterone testing and/or breeding documents from the vet must be provided before a repeat is honored.
 - Documentation for births of less than 3 pups may be asked to be provided as proof of the breeding being unsuccessful before a repeat is honored; (examples: sonogram/x-ray photos, signed letter from the vet, etc).
 - If a successful litter occurs and the puppies do not survive as fault of the owner of the dam, Louis V Line Bullys will not grant a repeat breeding, as it is the buyer's responsibility to take care of the whelping and rearing of the puppies.
- If for any reason the chosen stud is unavailable due to emergencies or medical reasons (example: death, surgeries, illness), the buyer will have to choose another stud owned by the seller.
- **Stud credits cannot be sold or transferred.**

A surgical breeding and C-section for birthing is highly recommended for a successful breeding. Pregnant females should be taken to the vet for regular check-ups to ensure a healthy pregnancy. Louis V Line Bullys can only guarantee good quality semen.

Note: All deposit and/or cash are non-refundable.
